Office 365

The Challenge of Adoption

Resources – People, technology, knowledge

Scope – Project size, goals, requirements

Time – Task durations, dependencies, critical path

Money – Budgets, costs, contingencies

MEET THE MODERN LEARNER

**OVERWHELMED
DISTRACTED
IMPATIENT**

Two thirds of workers complain that they don't have enough time to complete their jobs

80%

80% of employees admit to using non-approved SaaS apps in their jobs

20%

20% of the workforce is comprised of contractors, temporary staff and freelancers

Number of times per hour checking inbox

Knowledge Workers unlock their smartphones up to 9 times every hour

Workers get interrupted as often as once every 5 minutes

MODERN
COLLABORATION

PERSONALIZED
INSIGHTS

THE MODERN WORKPLACE

CONTENT
MANAGEMENT

SECURITY AND
COMPLIANCE

Primary Focus on Systems of Record
are a thing of the past

An overhead view of a diverse group of business professionals sitting around a large, light-colored wooden conference table. The scene is captured from a high angle, looking down. Several individuals are actively using mobile devices: smartphones and tablets. One person in the upper center is using a laptop. The devices display various data visualizations, including line graphs and bar charts. The text 'We need to shift our focus to *Systems of Engagement*' is overlaid in a white, sans-serif font on an orange rectangular background that spans across the middle of the image. The overall atmosphere is professional and collaborative, emphasizing digital engagement in a business context.

We need to shift our focus
to *Systems of Engagement*

Service

Digital Workplace

IT'S INSUFFICIENT TO JUST BE BEAUTIFUL ON THE OUTSIDE

YOU HAVE TO BE BEAUTIFUL ON THE INSIDE TOO.

Sustainable growth + effective competitive success requires transformation from within!

DIGITAL WORKPLACE IS A **JOURNEY**

USER ENGAGEMENT IS NOT AN AFTERTHOUGHT

- BE CONTEXTUALLY INTELLIGENT
- SENSE + RESPOND THROUGH HUMAN/MACHINE INTERACTIONS

CONNECT the DOTS

GIVE PEOPLE A VOICE!
IT'S A MERITOCRACY!

SPEND TO MAKE THE INTERFACE BEAUTIFUL + EASY TO USE

IF YOU POST GREAT CONTENT, YOUR PERSONAL BRAND GROWS

USE DATA TO MAKE DECISIONS

ANALYTICS

Share!
Recognize!
Reward!
Sustain!

Are you trying to DIGITIZE or DIGITALIZE?

create a marketplace for knowledge + innovation

choose the SPIKES that will have the most **IMPACT**

MEASURE!

UNDERSTAND HOW PEOPLE ARE DIGESTING + USING THE INFORMATION / ASSETS
→ create asset scores

START THE FIRES IN THE ORGANIZATION!

Directly Aligned to business priorities

MEASURABLE **OUTCOMES**

ORGANIC GROWTH
IMPROVED EXPERIENCE

how do we create a digital culture?

Digital workplace isn't a thing... it's a **JOURNEY**

THINK ABOUT THE EXPERIENCE ACROSS DEVICES

10 Steps to Adoption

1. K-W-Y-B
2. Office 365 SMEs & Champions
3. Success Manager
4. Corporate Communications Plan
5. Gamification
6. Realization & Environment
7. Operational Support
8. Education Plan
9. Centralized Support
10. Quick Wins

LIVE,
WORK,
CREATE.

What are your
business goals?

Have you created an
IT strategy?

Set Expectations

"If I'd asked customers what they wanted,
they would have said "a faster horse".

– Henry Ford

Office 365 SME's & Champions

Knowledgeable

A dedicated team who has the corporate information required

Secure

A trusted source of information and content (perhaps) not otherwise available

Responsive

Set a protocol to respond to questions and emails within X period of time; catalog anonymously

Office 365 Success Manager

An Evangelist Role that works WITH all Business Lines

Working throughout the business with all users, questions and driving empowerment

A functional expert who understands the inner workings and configuration of 365

Strategic thinker who can adapt the environment based on questions asked

Defensible auditing insights and analytics based on best practices and data

Corporate Communication Plan

Mission Statement

Why is 365 being used inside your organization and how will it be used to better the organization?

Business Objectives

What objectives are being set and met with and for 365?

Expectations

How and when to use 365 throughout the organization – when will updates come in and how can I be involved?

Education & Involvement

When will teams be trained and how will they be supported month to month?

Centralized Support

Who and How

- ✓ Who can I go to?
- ✓ Where can I get answers?

Automation

- ✓ Use the tool
- ✓ Integrate and deliver

Analytics and Intelligence

- ✓ Reports and feedback

GOOD
VIBES
ONLY

Realization and Environment

Success isn't Guaranteed

✓ Know your pressure points and prepare to reset

Competing Products Exist

✓ Adoption from other platforms
✓ Leverage the knowledge

People are Watching

✓ Success breeds success
Celebrate the wins

Gamification

- Compliance Points
- Rewards and Recognition

Organizational Support

A group of business professionals in a meeting room are gathered around a table, holding several interlocking puzzle pieces. The puzzle pieces are in shades of blue and green, and they form a larger, irregular shape. The scene is brightly lit, and the focus is on the hands of the participants as they work together to assemble the puzzle.

What is the company doing to commit and show their support?

Education and Training

An ever-changing **adoption** landscape requires constant education and support

Millions of opportunities
thousands of options,
hundreds of touch-points

An overhead view of a long wooden conference table with several people seated around it. The people are using various mobile devices like smartphones and tablets. The image is divided into four quadrants, each with a semi-transparent text box.

Quick Wins

People

Who will access information, and when?

Processes

What can we automate to facilitate governance?

Technology

Effective use and actions is critical

Culture

What is the threshold for your organization?

IT changed landscape has created opportunities for businesses to solve problems today – Leverage that!!

The 1 million subscriber mark

Office 365 Discovery Workshop

see more.

Office 365 Intro

- Suite of desktop, mobile and browser based productivity tools
- Windows, Mac, iOS, and Android support
- Supports all the major browsers

Office Online

- Office Online Suite includes
 - Word Online
 - PowerPoint Online
 - Excel Online
 - OneNote
- Multiple Browser/Device Support

Word

Excel

PowerPoint

OneNote

Mobile Apps

Microsoft Outlook

Microsoft OneDrive

Microsoft Word

Microsoft Planner

Yammer

Office 365 Admin

Microsoft OneNote

Microsoft SharePoint

Microsoft Excel

Microsoft Flow

Office Delve - for Office

Microsoft Authenticator

Microsoft Teams

Microsoft PowerPoint

Microsoft Power BI

Exchange Online

Exchange Online

Calendar

Outlook

- Microsoft hosted email, calendars, and contacts
- Available on the web, in Outlook, and on mobile devices
- 50 GB mailbox
- 50 GB / Unlimited (E3/E5 plans) email archive

Skype for Business

- Presence
- Instant messaging
- Audio and video calls
- Online meetings and sharing
- Merging / moving to Microsoft Teams

Yammer

- Enterprise social network – not Facebook
 - Drives productivity through team collaboration
 - Engages employees
-

Microsoft Teams

- Replacing functionality of Skype for Business:
 - Persistent chat
 - Presence
 - Audio and video calls
 - Online meetings and sharing
 - Files (SharePoint)
- Org wide channel eliminates need for Yammer for most organizations
- Microsoft has positioned Teams as the launchpad to O365 services
- Each Team is connected to an O365 Group

Notebook/OneNote

- Tool for unstructured, free-form note taking
- Create Sections and Pages
- Add text, images, audio, video, hyperlinks, etc...
 - Embedded Video cannot be added in OneNote Online, but once embedded can be played in OneNote Online
- Can be opened in OneNote application and synchronized
- Multiple people can edit the same notebook simultaneously

Planner

- Rudimentary task management tool
- Plan is created with each Office 365 Group
 - Conversely, an Office 365 Group will be created for each Plan
 - If either is deleted, both are deleted
- Plans consist of Buckets and Tasks
- Tasks may be assigned, contain checklists, due dates, attachments, description and comments

Power BI

- Connect to data in Excel, corporate data sources, and external services
- Design your reports in Excel or Power BI Designer
- Publish them to the web
- <https://powerbi.microsoft.com>

OneDrive for Business

- 1 TB file storage for each user
- Sync files across all your devices for online and offline access
- Use search to find your files
- Share your files with colleagues and external users

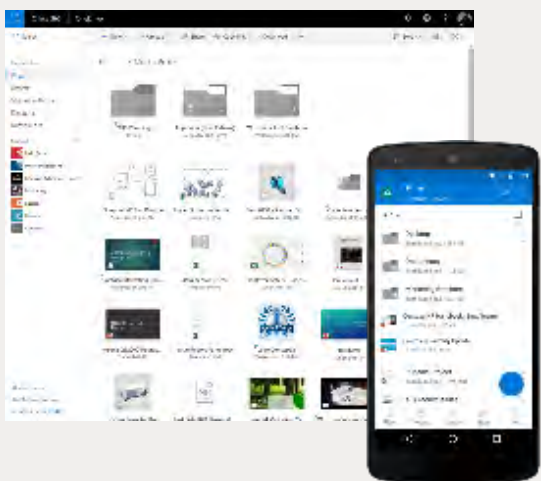

SharePoint Online

- Communicate and Collaborate
- Corporate Intranet
- Team Sites
- Forms and Workflows

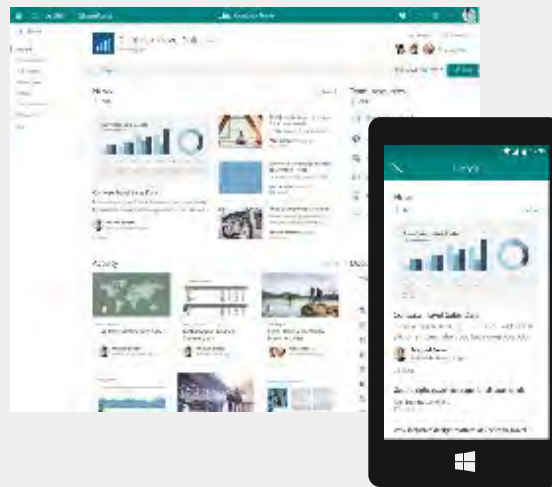

Three Places to Work

OneDrive for Business

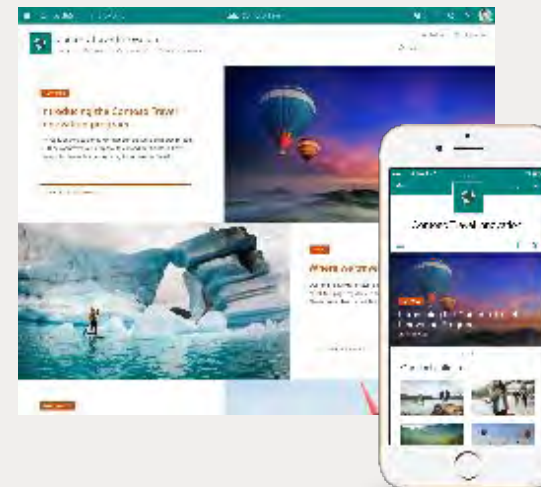

Private by default

Team sites

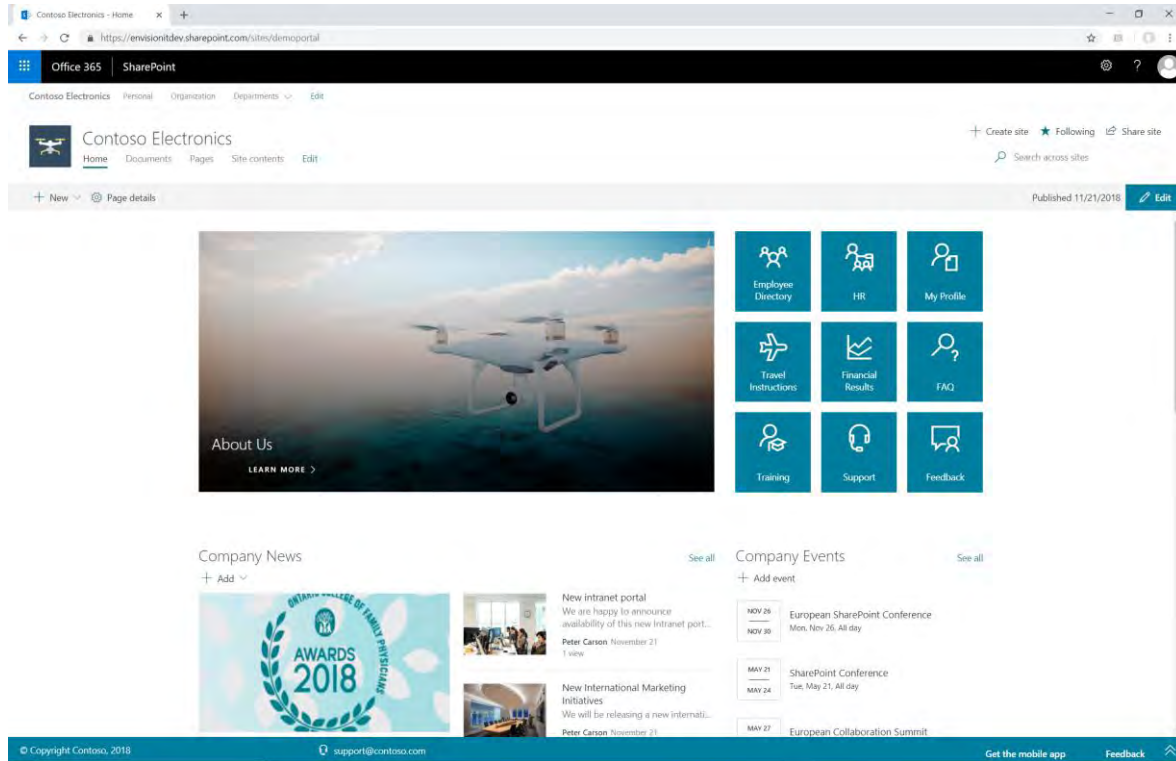

Share content with your group

Communication sites

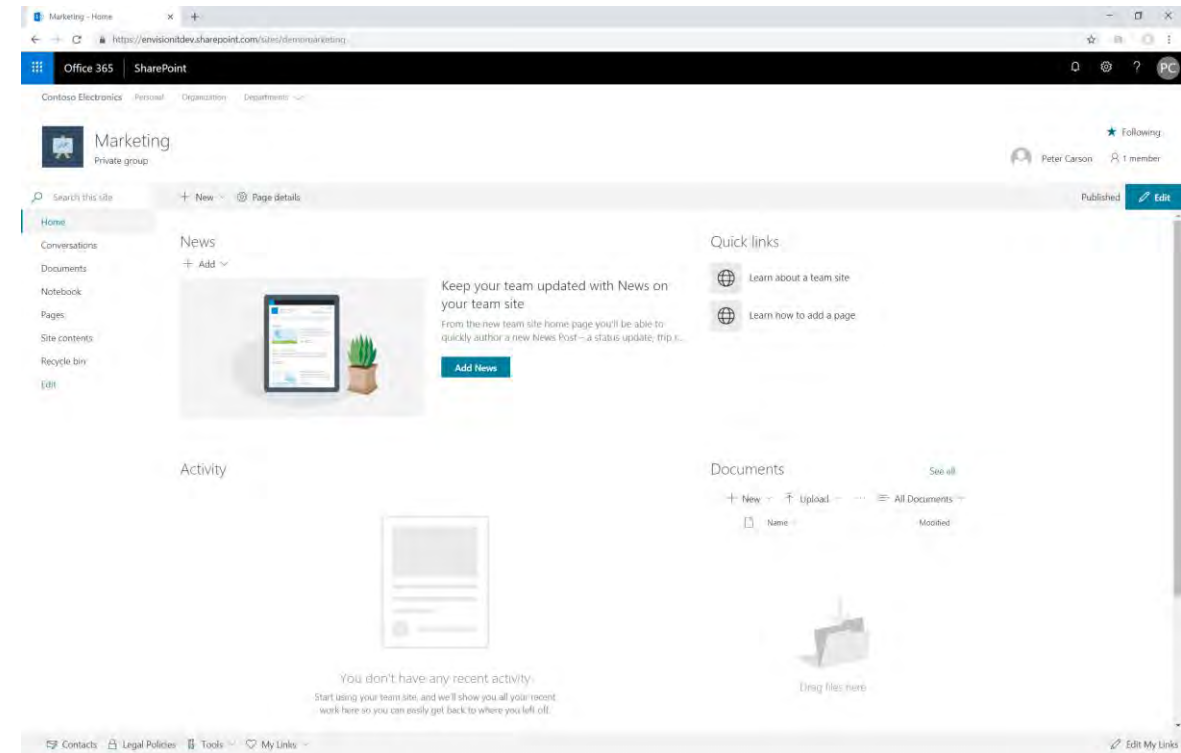

Inform and engage a broader audience

Communications vs. Team Sites

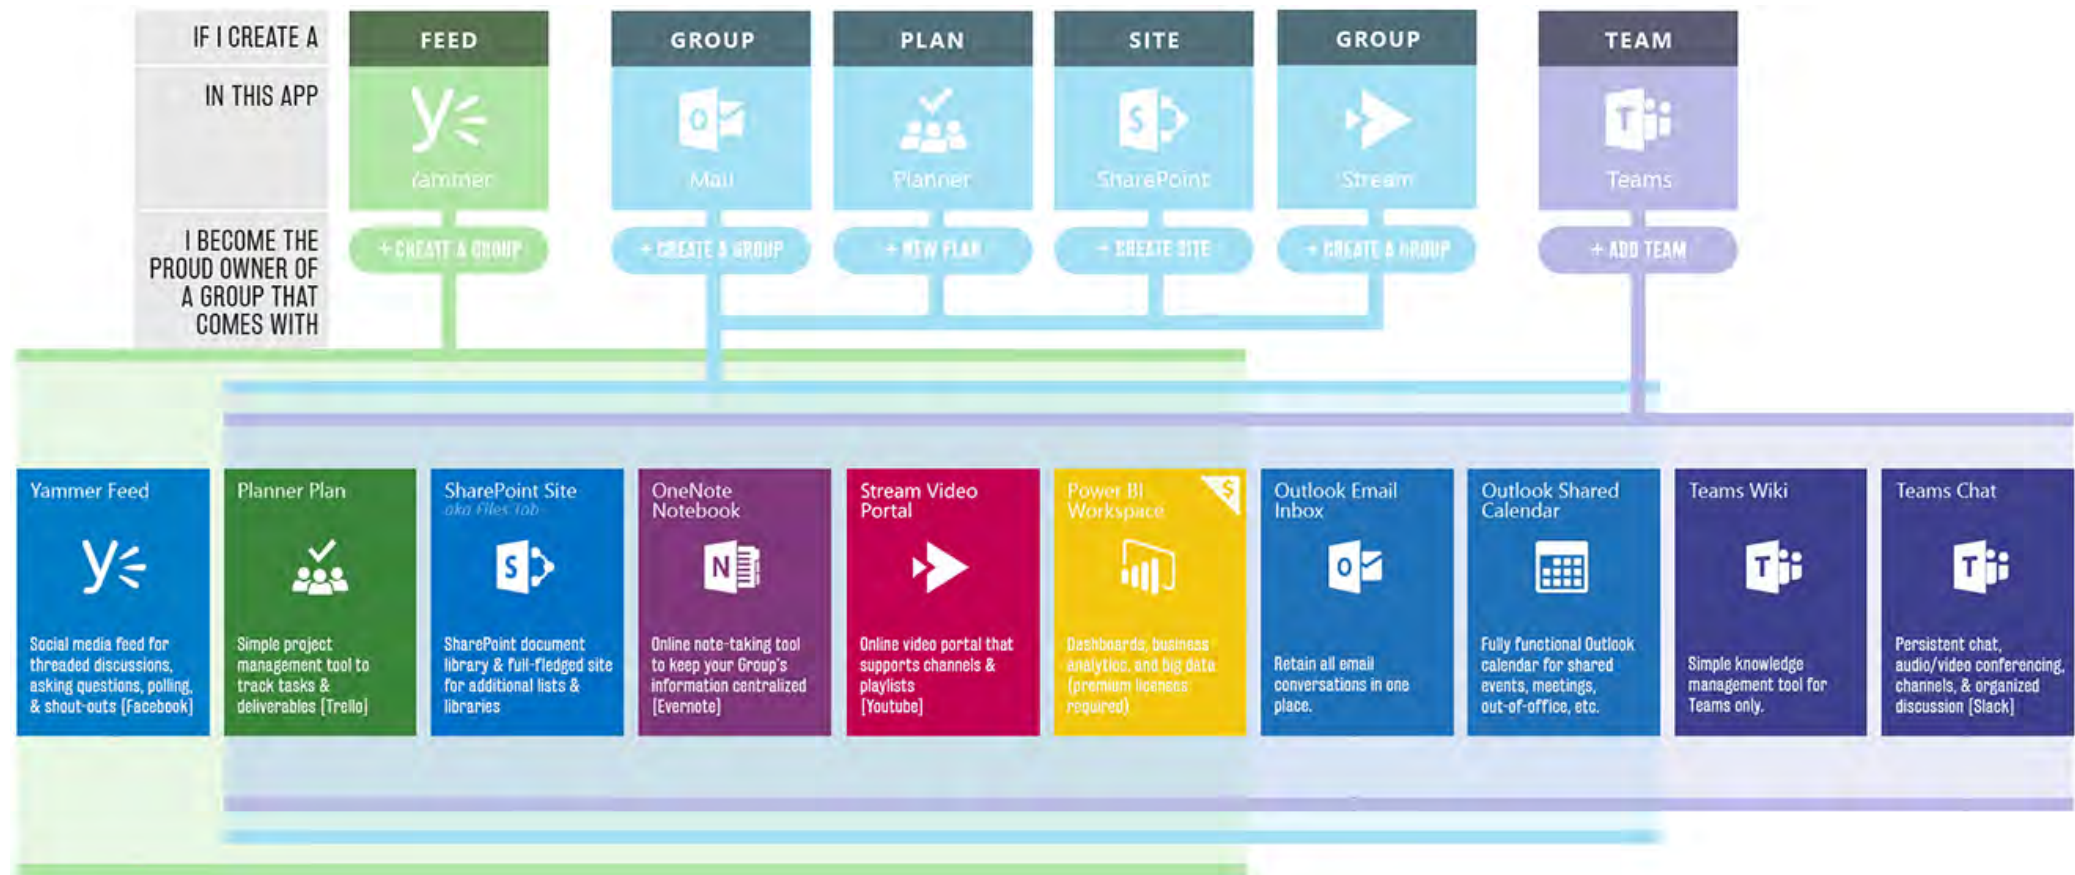

Communications Site

Team Site

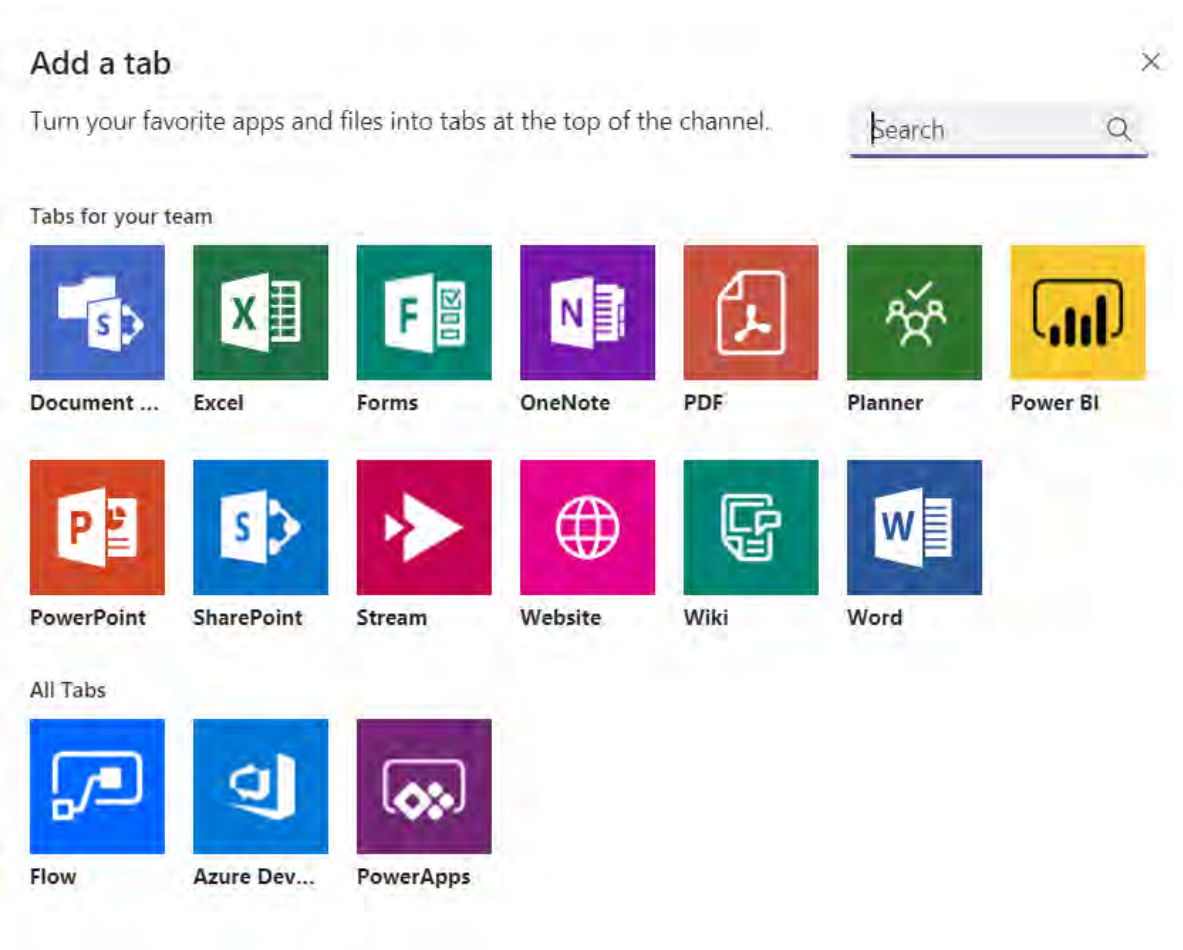

Office 365 Groups

Matt Wade - <http://icansharepoint.com/everyday-guide-office-365-groups/>

Microsoft Teams

- Each Team may have multiple channels, with tabs to SharePoint lists and libraries, Stream, Planner, OneNote, and many others

Conversation and Collaboration Modes

Type	Example	Try this ...
Quick, transitive, low importance	"Want to grab a sandwich?"	 
Making decisions, group think	"Which sandwich shop should we order from for the department from now on?"	 
External, formal	"We'd like to work on a sandwich with you."	
Seeking help, crowdsourcing	"Who knows about sandwiches?"	
Strategic	"NDA: We're planning to start a sandwiches division."	 
Informational, inspirational	"We see that sandwiches are trending up."	  
Personal, confidential	"We're firing the sandwich guy – YOU!"

One capability.
Every search experience.

Microsoft Graph + Bing technology

Next Gen Search Relevancy

Personalization: Understand what matters to you

Using signals from across Microsoft 365

Me

Is the content related to projects me or my collaborators are involved in?

My role

Is content created for people similar to me, based on role/location/org?

My org

Is the content authoritative / official? Does it represent the knowledge of organization?

Intent: Understand what you want to do right now

Using tech transfer from internet consumer search

Guidance

Get suggestions as you type to help you express your intent, and minimize your effort.

Semantic matching

Get the correct result without having to remember or guess the 'correct' query term.

Beyond a list of results

Get the *meaning* of an acronym, instead of links to where it's used.

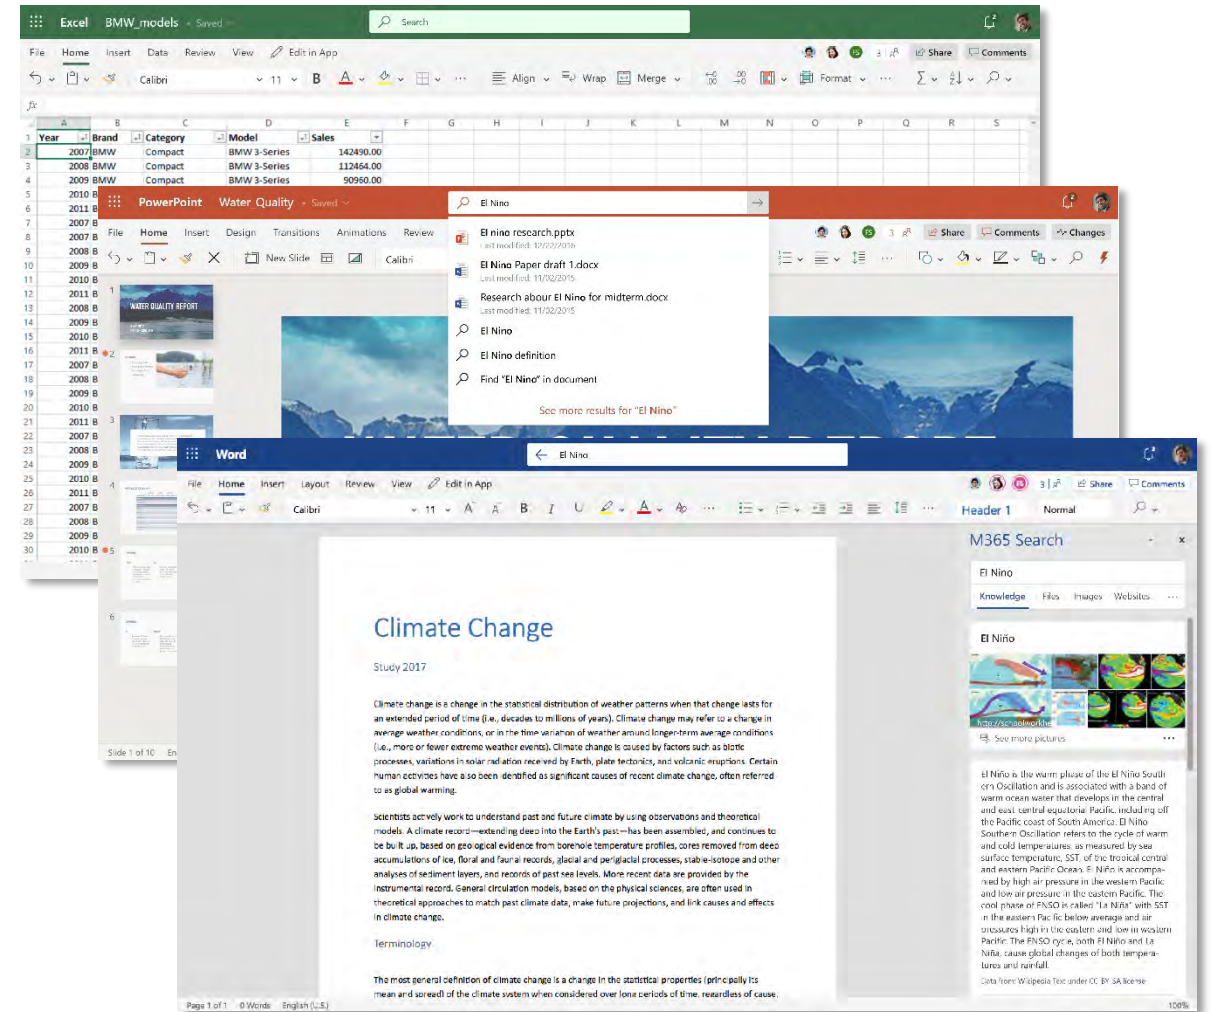

Get your work done faster with the power of search

Search in Office Apps

Search in Office - Delivers relevant results in apps like Word, Excel, and PowerPoint

Get work done - Find actions, services, and content that help you to complete your task

No more context switching - Bring the power of Office and the Web to you in the app without needing to switch apps

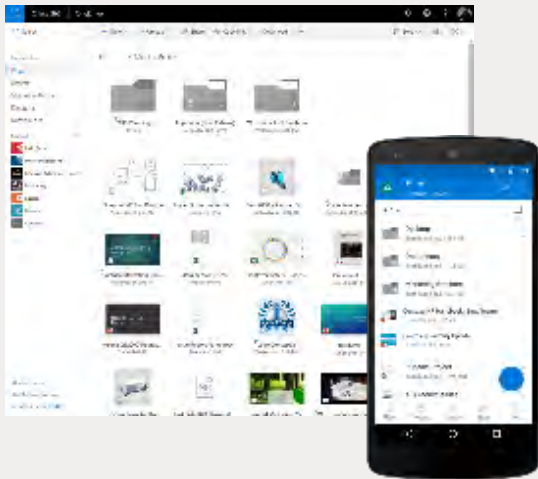

SharePoint
Online

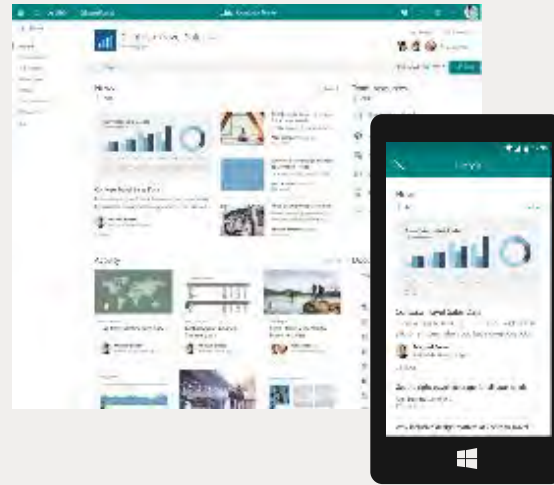

Three places to work

OneDrive for Business

Private by default

Team sites

Share content with your group

Communication sites

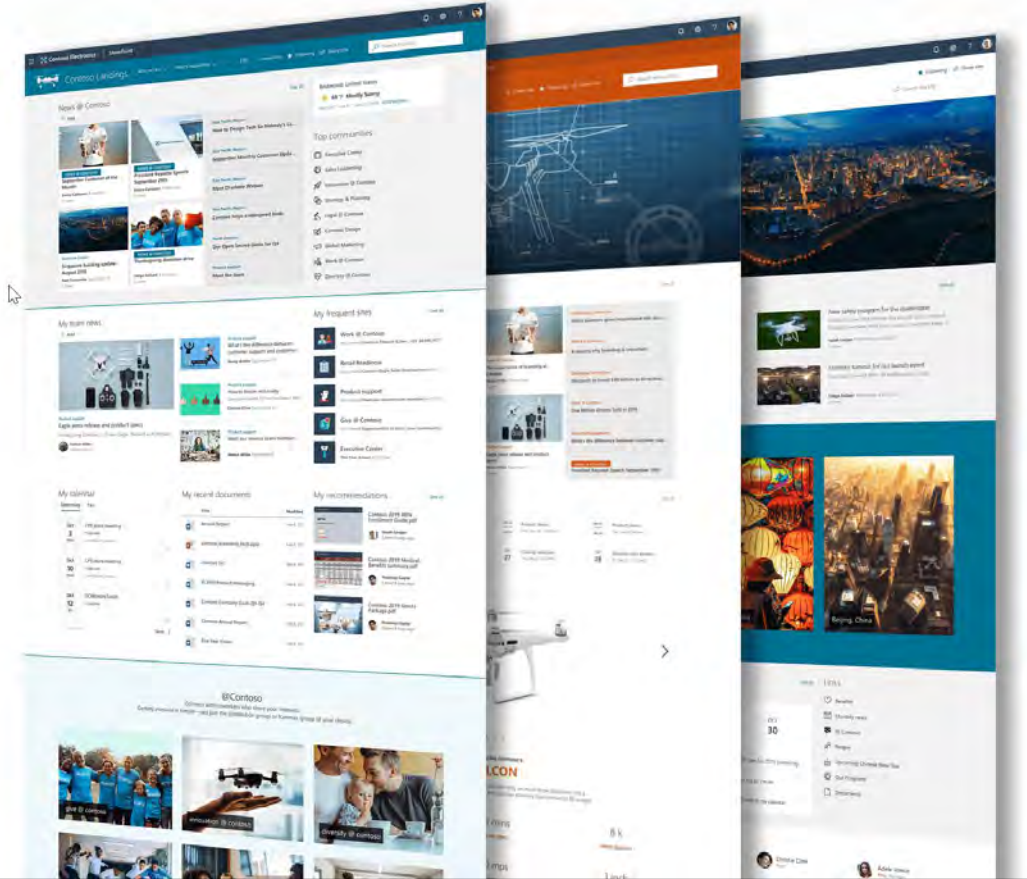

Inform and engage a broader audience

Design beautiful and performant sites, pages, and web parts with SharePoint in Office 365.

Get inspired. Discover the modern experiences you can build with SharePoint in Office 365.

"New innovations in SharePoint & Microsoft 365 deliver power and simplicity for content collaboration" >

"Content Collaboration in the Modern Workplace" >

<https://resources.techcommunity.microsoft.com/resources/build-modern-intranet-on-sharepoint-office-365/>

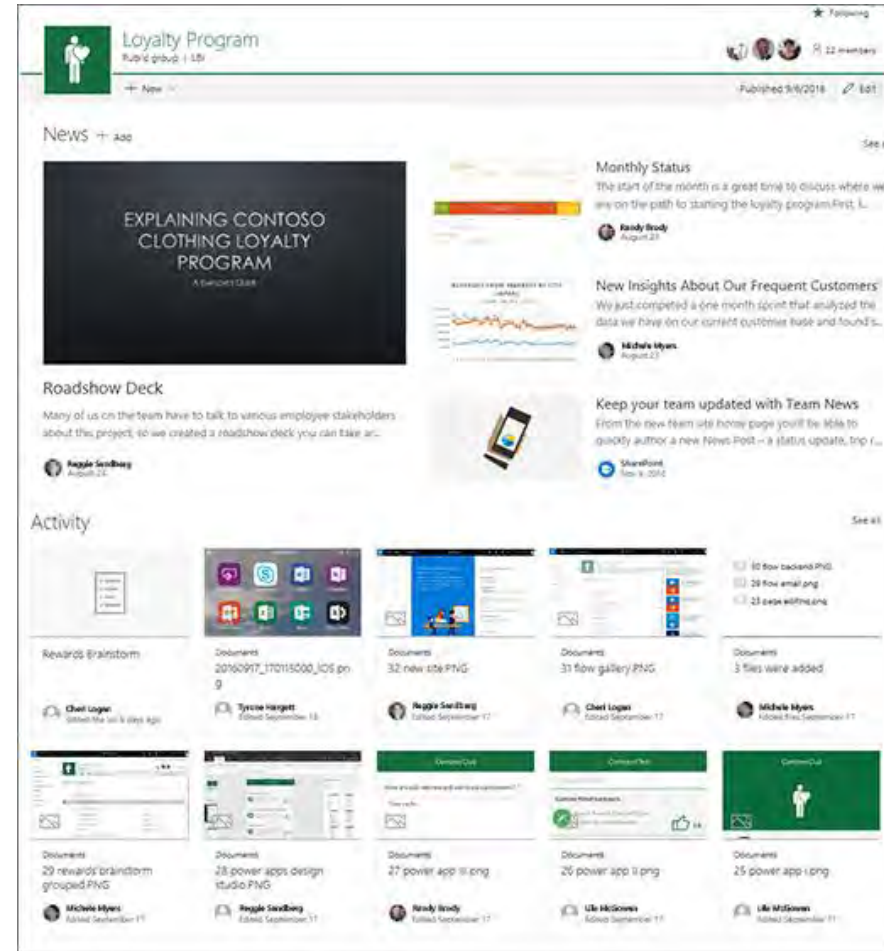

SharePoint Starter Kit

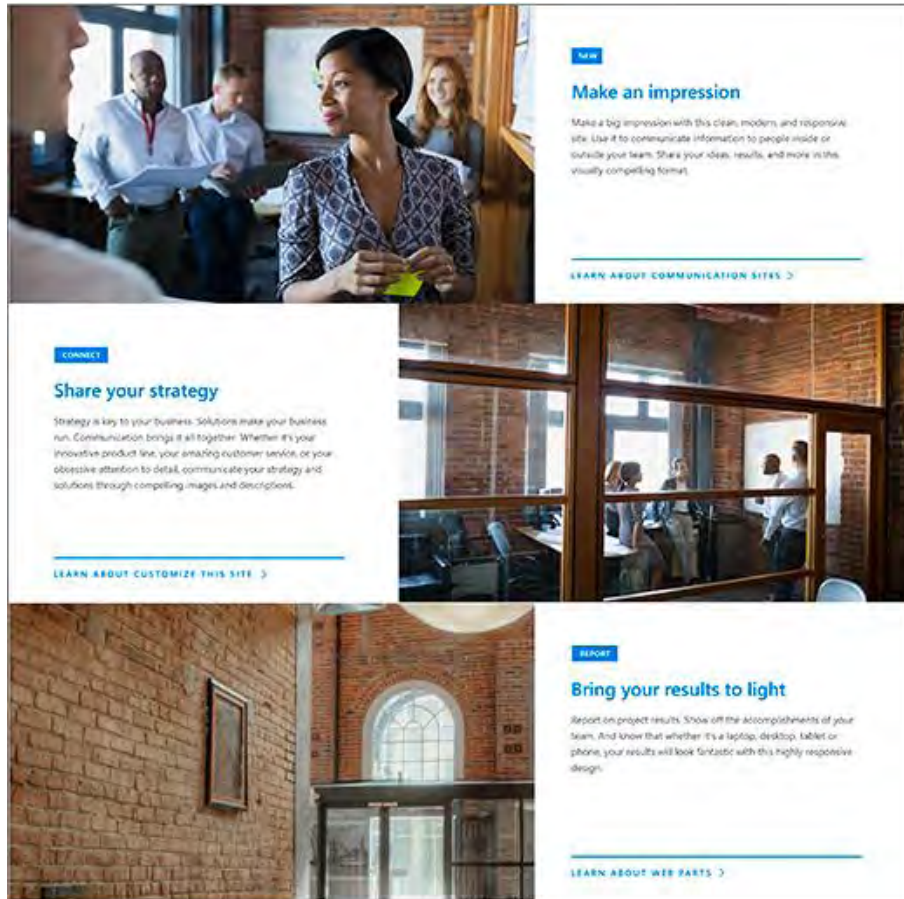

<https://github.com/SharePoint/sp-starter-kit>

SharePoint – Team Sites

- By default, all members are content authors
- Department, Committee, or Project Collaboration
- External Sharing with Clients, Vendors, or Partners
- Collaboration-focused

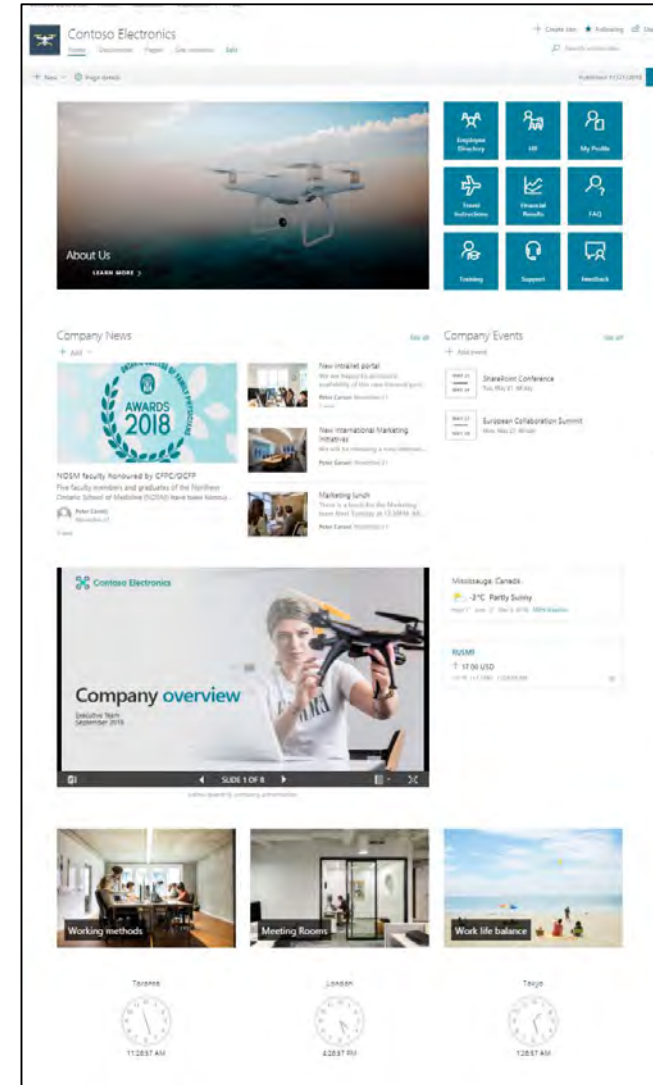

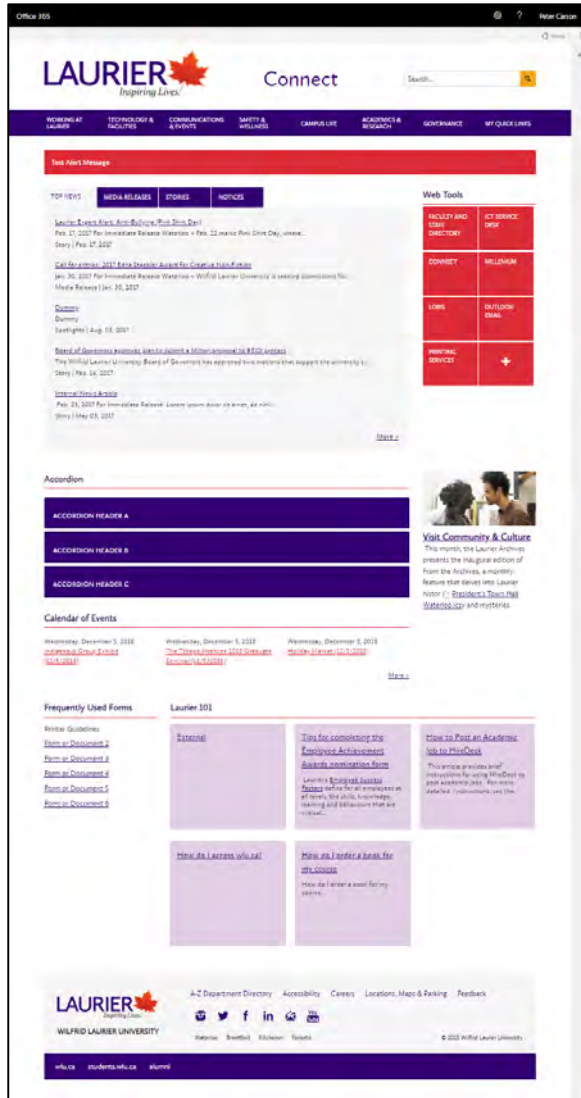

Communications Sites

- Hero Webpart for highlighting important Content
- Sharing of News & Events
- Showcase Images & Photos

Classic vs. Modern

Information Architecture

- Even with a good plan, information architecture is a continual process
- No more site/sub-site – new flat structure where all sites are site collections
 - Modern subsites are now supported
- Hub Sites create a group of sites that share navigation, branding and other elements.

Planning Permissions

- SharePoint Groups
- O365 Groups
- Azure Active Directory Groups

Classic vs. Modern IA

SharePoint Hub Sites

- Shared navigation and brand
- Roll-up of content and search
- A home destination for the hub
- Can be Team or Communications
- Associated Sites are “subsites”

VALO

Ready-to-go Modern Intranet

Valo Modern

The screenshot displays the INNOCAR SharePoint modern site. At the top, the Office 365 and SharePoint logos are visible. The site title "INNOCAR" is prominently displayed, followed by navigation links for "Internal Services", "About Us", "What's New", "Teamwork", and "My Tools". A search icon is located in the top right corner. Below the navigation is a large hero banner with the text "Innovation through collaboration." and a background image of two people working on a laptop. A row of icons for various site functions (mail, phone, calendar, shopping cart, clock, globe, play, heart, document, and list) is positioned below the banner. The main content area is divided into "Global News" and "Local News" sections. Each section contains three news items, each with a thumbnail image, a title, a byline, a short text snippet, and engagement metrics (comments and likes). The news items include: "New ERP will be launched globally in three weeks", "Teamwork highly appreciated factor working at InnoCar", "New trainees in da house!", "Mentoring Program is now available", "Customer Survey: Enhancing the service experience", and "CEO Kevin Miller visited Vancouver Office".

The Best Mobile Intranet Experience

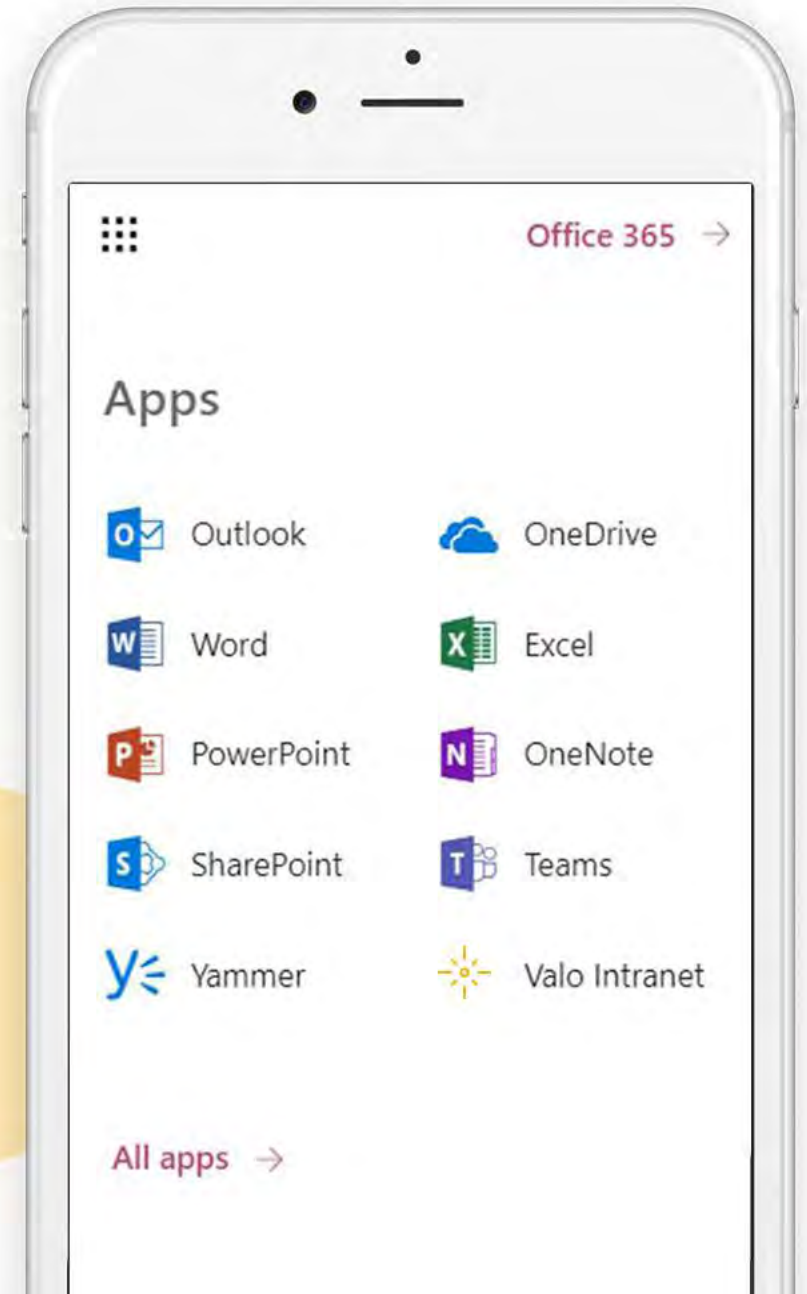

- Native Valo Intranet Mobile App for Android and iPhone
- Supports push notifications and branding
- All ready-made themes are responsive for the full mobile intranet experience
- Valo fully supports Microsoft apps available for Yammer, SharePoint, OneDrive, Office...

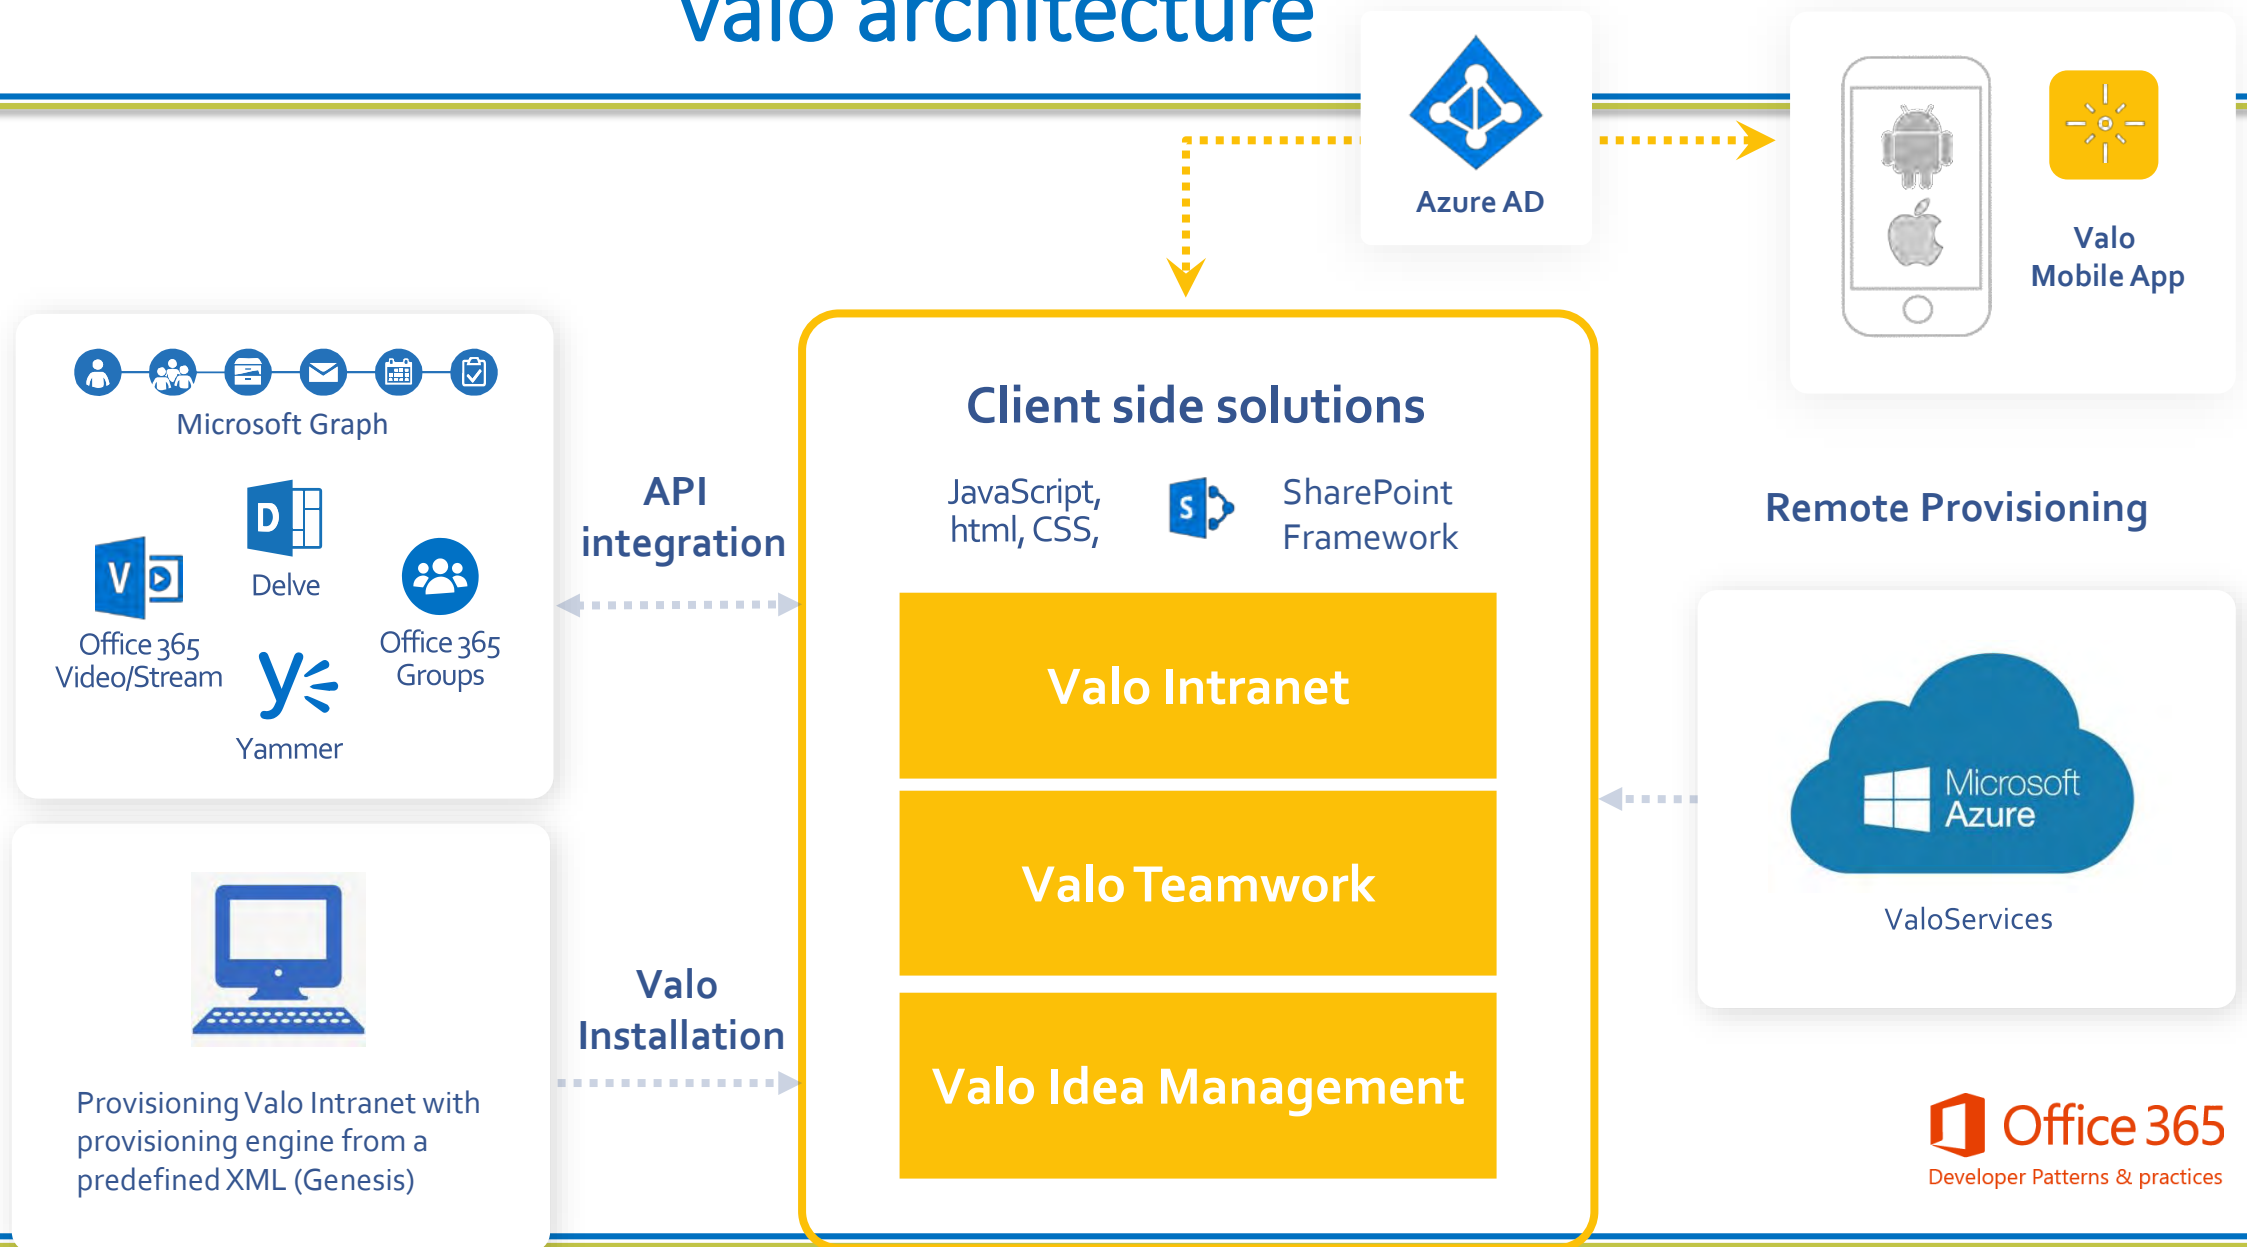

100% compatible with

Also available for on
premises SharePoint
Server 2016/2019

Valo architecture

Office 365
Developer Patterns & practices

On premises SharePoint 2013, 2016 and 2019 supported with limitations

CASE: Oriflame

The screenshot shows the Oriflame Yammer intranet interface. At the top, there is a navigation bar with links: HOME, THIS IS US, MY OFFICE, MY WORKSPACES, MY EMPLOYMENT, KNOWLEDGE HUB, and BEAUTY EDIT. A search bar is located on the right. Below the navigation bar is a row of eleven colorful icons representing various functions: a question mark, a refresh symbol, a speech bubble, a flower, a bar chart, a person with a plus sign, a graduation cap, a person with a plus sign, a lightbulb, a laptop with a graduation cap, and a globe.

The main content area is divided into three columns:

- INTRODUCING THE ORIFLAME BRAND IDENTITY EMPOWERMENT TOOL**: A large image of three smiling women with the text "Welcome to our brand" and a quote: "Listen on in and make yourself at home".
- WHAT'S NEW**: A video player showing a Christmas special featuring Magnus Brännström, CEO. Below the video, the text reads: "Behind the O Christmas special feat. Magnus Brännström, CEO 18/12/2015 at 16:30 | People & Organization | 0 Comments | 1 Likes".
- GOOD WORK!**: A list of three praise items, each with a star icon:
 - Jan Poledna praised Jana Andree, Jiri Poledna for great team job and extra effort to deliver e-archive solution in very challenging lead time and also for pushing e-archive provider (ISIS) to be more agile. :)
 - Olga Aristova praised Nikolay Rozhkov, Kuzova Irina. Спасибо овареетельным Деву Морозу и Снегурке за мансардно-школащине шуток-прибавочные поздравления и создание новогоднего настроения! Bravo «!!!)
 - Irene Arredondo praised Bartomiej Smoczyński. Congratulations!! We have a new quote winner! As he is not in the office today, he will have to wait until I am back from Xmas to receive a delicious muffin :) "At the end of the day let there be no regrets, only a desire to do more tomorrow than you did today" Noel DeJesus

At the bottom, there is a "YAMMER" section with a date "July 17 2015 Roger Hawk" and a "PODCAST - BEHIND THE O" section with a video player showing "Behind The O Christmas Sp...".

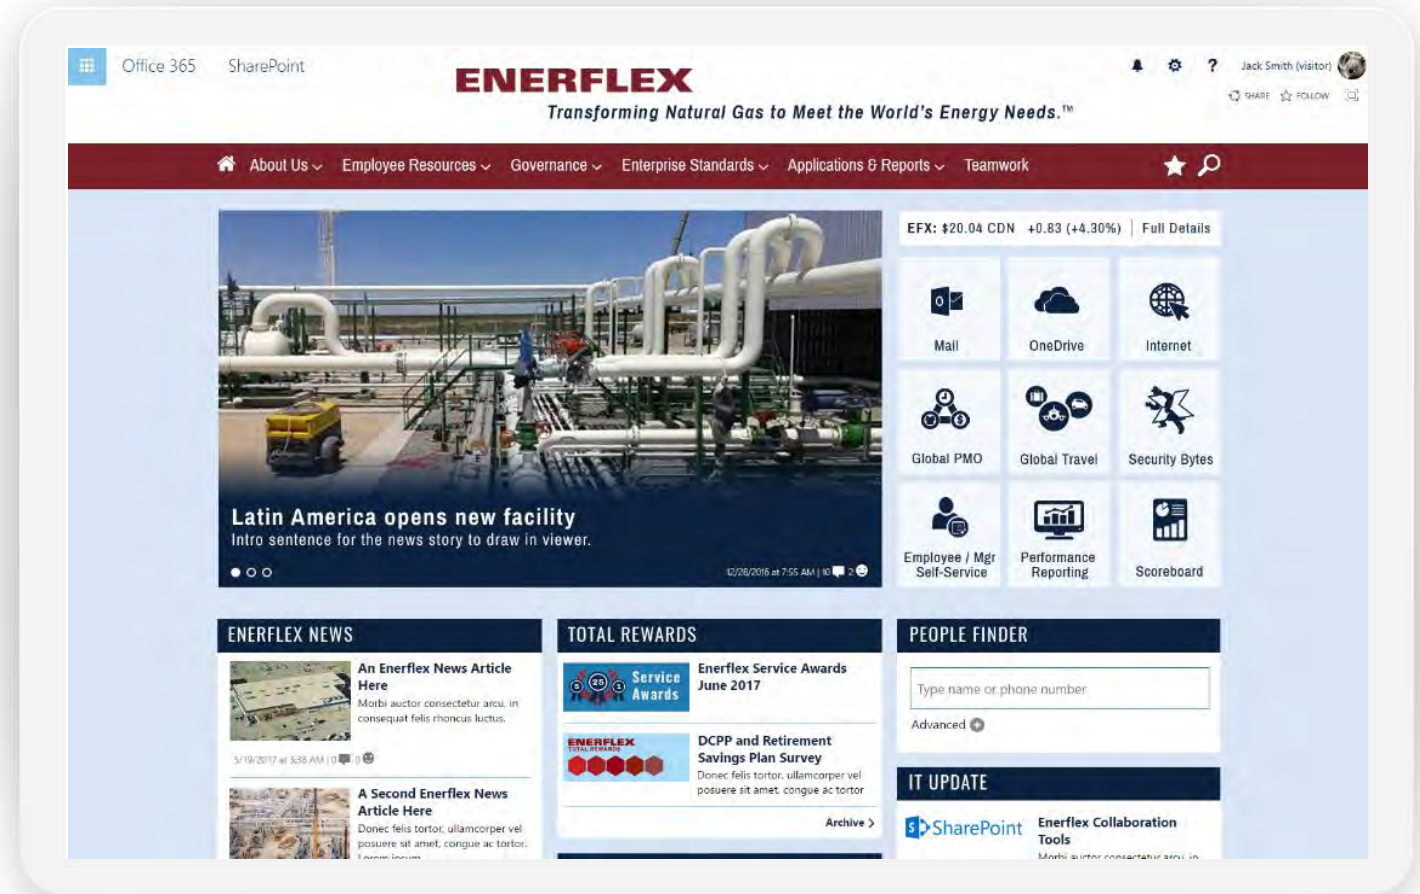

CASE:
Enerflex

“Valo proved to be a solid product. We appreciate that Blue Meteorite constantly and proactively updates Valo to keep up with the Office 365’s fast pace evolution.”

Mina Gould, Application Development Manager, Enerflex

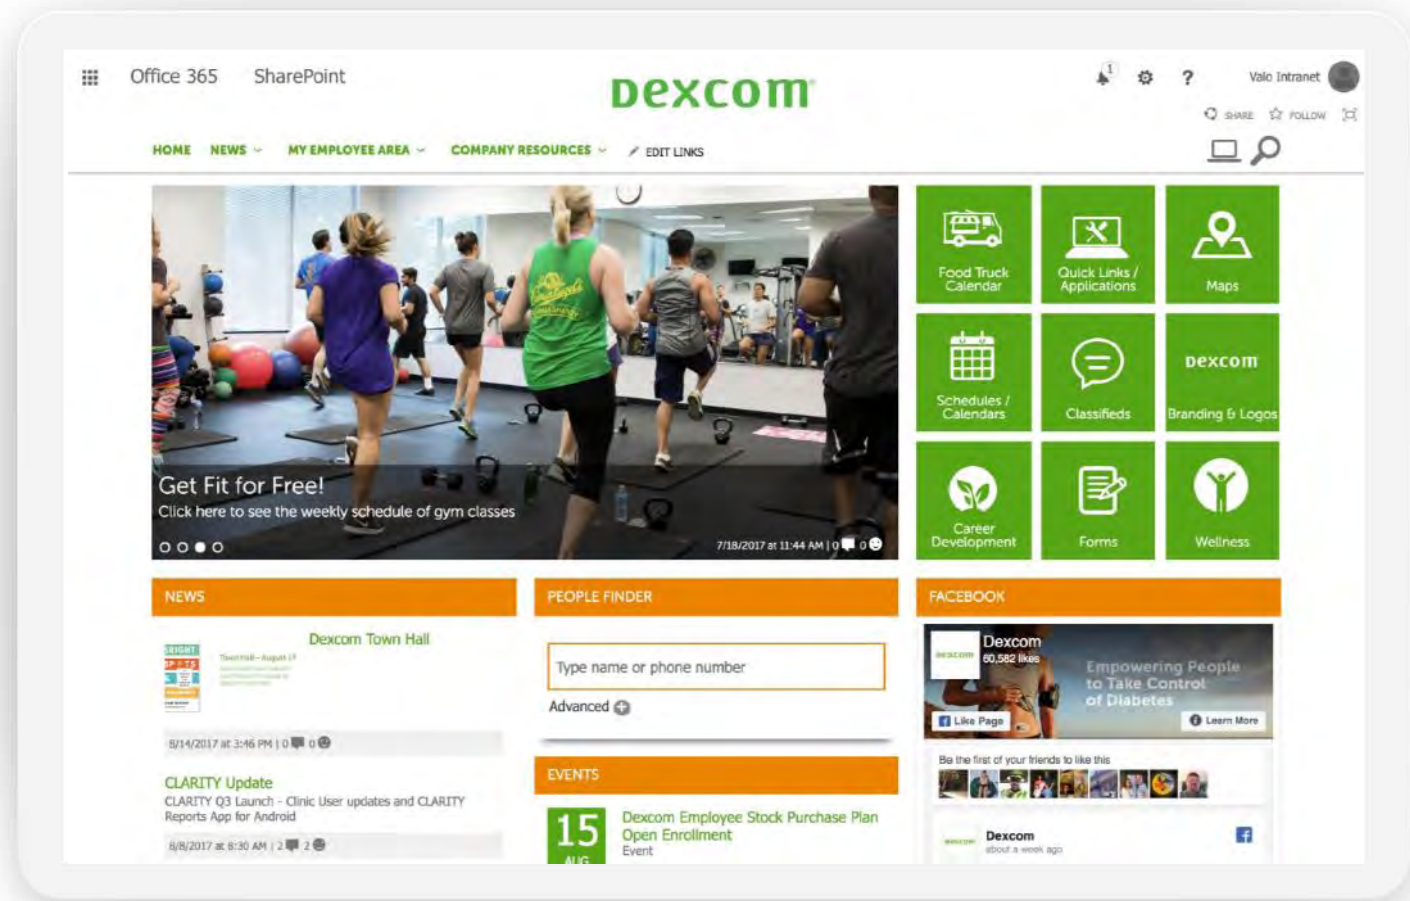

CASE:
Dexcom

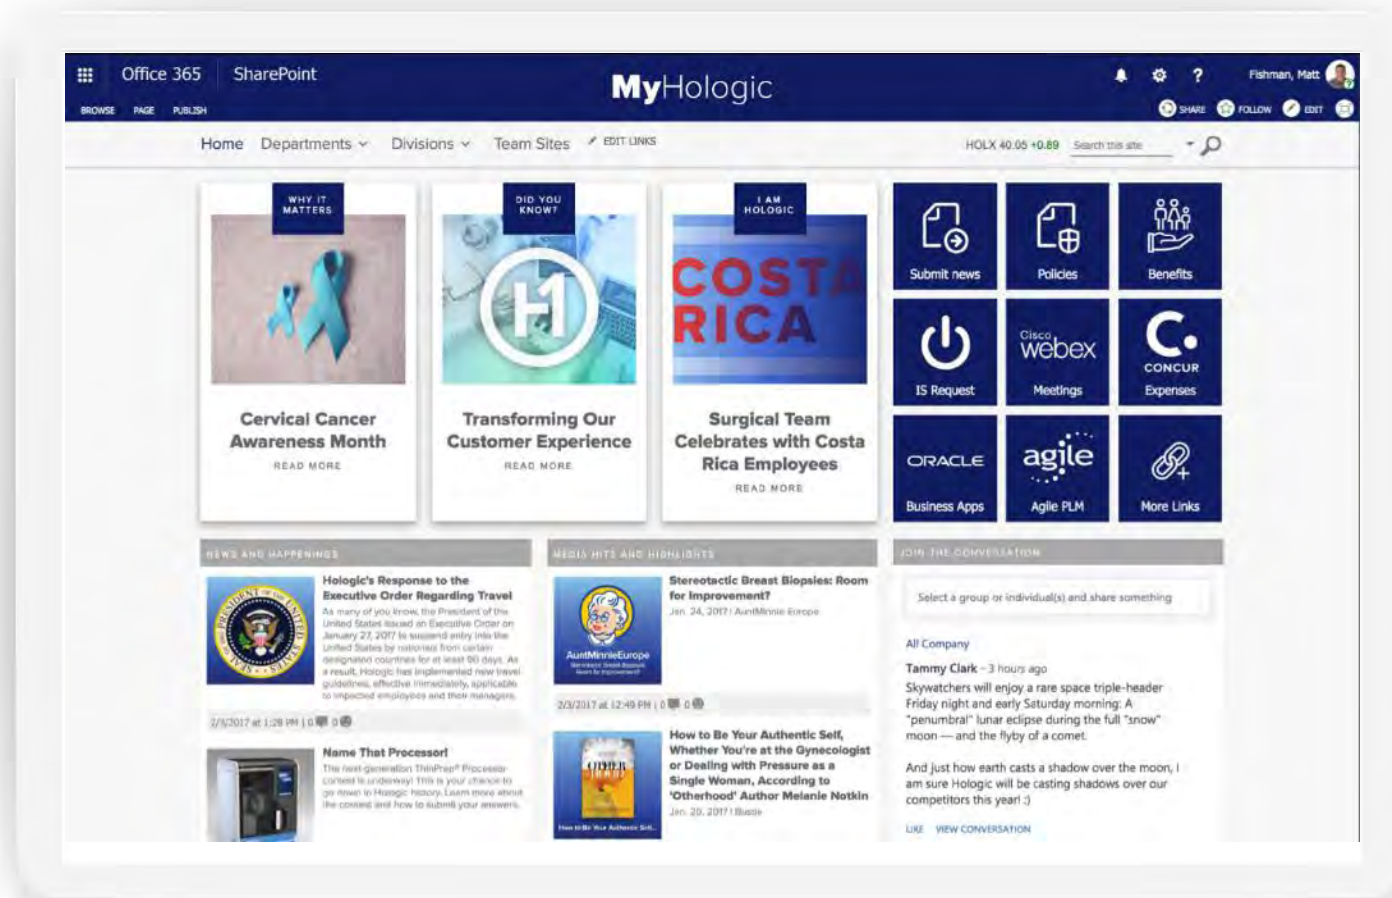

“Employees now have anytime, and any device access to all their work resources from intranet. It’s just easy and simple and that’s what resonates with our own employees.”

Chad Johnston Sr.
SharePoint Administrator,
Dexcom

CASE: Hologic

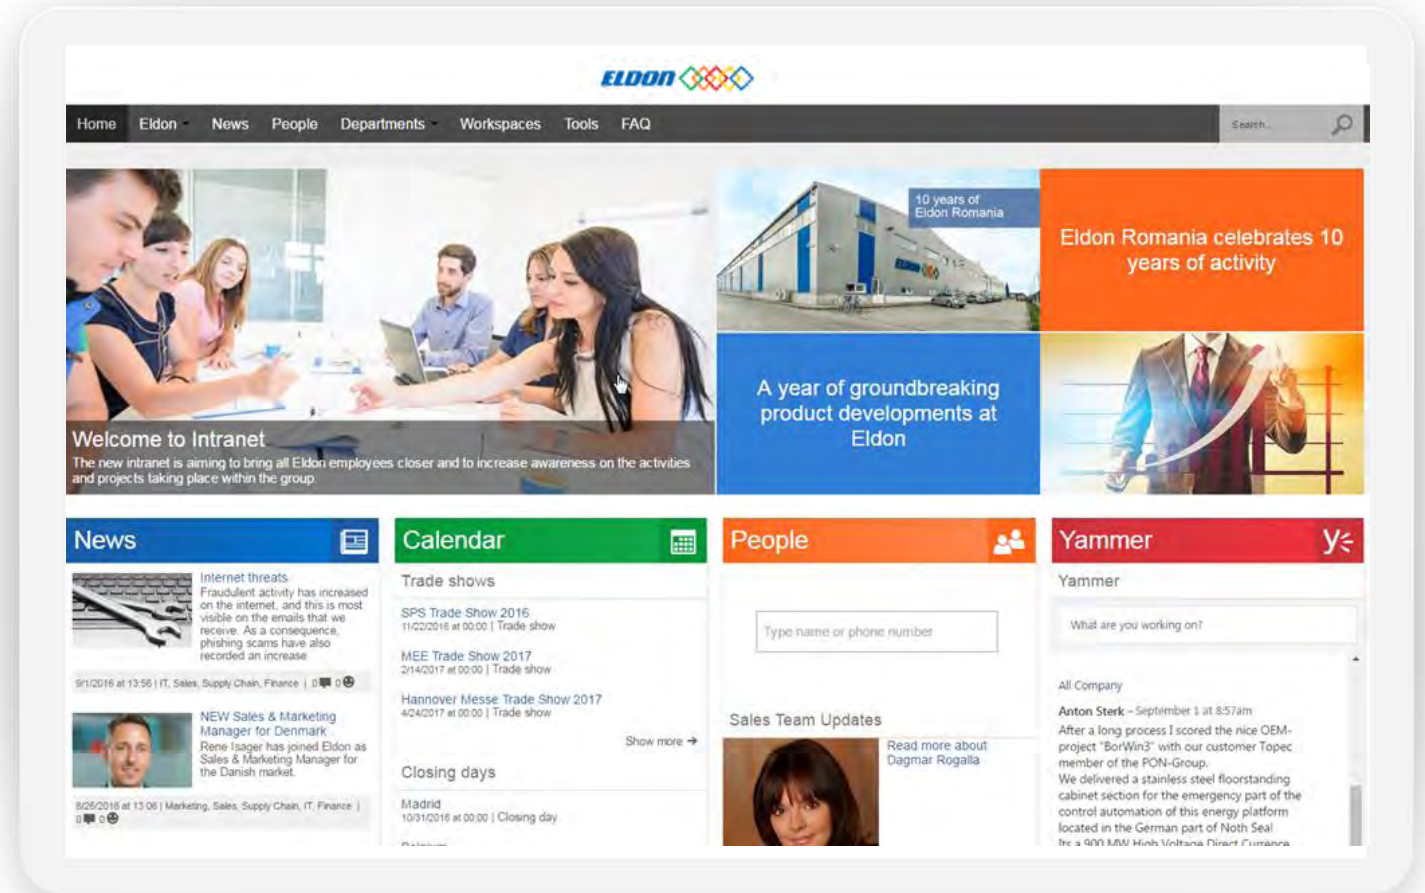

CASE: Eldon

“Thanks to Valo Intranet’s key-ready nature, we were able to launch a world-class social Intranet for our people very rapidly and with a low cost, integrating many of the great features available in the Office 365 platform.”

Eduardo de Juan,
Marketing & Sales
Operations Manager, Eldon
