Envision IT

Focused on complex SharePoint solutions, Envision IT is the "go-to" partner for Microsoft SharePoint, building integrated public web sites, Intranets, Extranets, and web applications that leverage your existing systems anywhere over the Internet.

Products

Enterprise Content Management

Create	Control	Protect

Create

Create and organize content easily with the help of relevant discovered information

Control

Manage content policy, information architecture and taxonomy

Protect

Reduce risk and manage compliance with centralized eDiscovery tools

Personal ← → Team ← → Organization

ECM FEATURES

My Sites / Sky Drive Pro	Sites	Lists
Libraries	Metadata	Site Mailboxes

SharePoint

Workflows and Approvals	Security	Forms
Search	Records Management	Retention Policies

DEMONSTRATION

Document Versioning

- New feature called Document Shredding

- Now only keeps track of file <u>deltas</u>

- Result: <u>far</u> less storage requirements

- Example:

  - PowerPoint file that was 3MB, then 5MB, then 10MB takes up **10MB**, not 18MB

Licensing

SharePoint Licensing– 2010 vs 2013

2010	Intranet	Extranet	Internet Sites
Internal Users	SharePoint Server + CAL	SharePoint Server + CAL Or SharePoint for Internet Sites (FIS)	SharePoint for Internet Sites (FIS)
External Users*	N/A		

2013	Intranet	Extranet	Internet Sites
Internal Users	SharePoint Server + CAL	SharePoint Server + CAL	SharePoint Server
External Users*	N/A	SharePoint Server	

Note*: External users means users that are not either your or your affiliates' employees, or your or your affiliates' onsite contractors or onsite agents
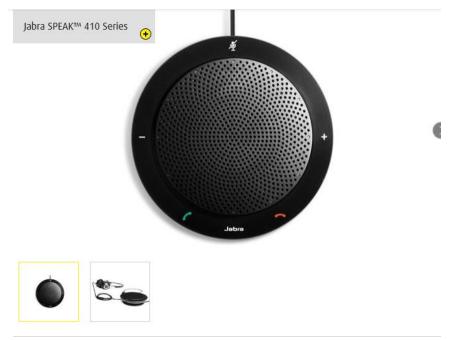

Questions?

Evaluation Prizes

Skivvy (M)

On the one hand you want a lightweight messenger bag. On the other hand you need padded protection for your 15-inch laptop. So unless you want two bags on your hands, bag yourself the very handy small Skivvy — a slimline, off-the-shoulder hold all for your everyday digital and off line essentials.

Jabra SPEAK™ 410 Series ⊕

TURN EVERY ROOM INTO A CONFERENCE ROOM

Looking for a low-cost way to get more conference rooms? Jabra Speak™ 410 is a speakerphone that turns any room into a conference facility.

- Portable speakerphone – works seamlessly with your existing IT systems – no compatibility issues
- Enables you to hold conference calls anywhere – make use of existing space and solve meeting room issues
- One variant optimized for Microsoft® Lync™
